Felt Rugs by Fraster

Hear yourself think™

Felt Rugs by Fraster - Color

Design your own rug or start from our standard patterns (54) and then select from 40, 5mm colors.

Company logos can be embedded in the rug and edge stitching assures dimensional stability.

Stitching is included on the edges of all but single layer rugs*. The colors of the stitching can be chosen based off of the felt colors.

Slip free EVA backing is applied to secure safe installation.

* Single layer rugs are one solid color of felt only without stitching or stitch design, ex. Pebble design above.

** Refer to unikavaev.com for all current colors and patterns available

Felt Rugs by Fraster

CONTENT	100% Merino Wool
THICKNESS	.2" (5mm)
WEIGHT	.29 Lb per sq. ft.
DIMENSIONS	Min- 1.2 Yards Sq Max- (L) 81'x (W) 5'10" (24689 x 1778mm)
LIGHTFASTNESS AATCC 16.3	Class 5 (40 Hours)
SEAM SLIPPAGE ASTM D5034-09	389 Lbs Warp, 309 Lbs Fill
COLORFASTNESS AATCC 8-2013	Dry Crocking- Class 4.5 Wet Crocking- Class 3.5
ACOUSTIC	NRC - 0.15
FLAMMABILITY ASTM E84 EN 13501-1	Adhered & Unadhered
APPLICATION	Floor

Custom

Custom colors and custom fabrication which includes cutting, laminating, stitching, embroidery and installation services are available.

Variation

Wool felt is a natural material that can vary between pieces due to its makeup. Color is indicative as it is impossible to assure consistency as the dyes may absorb differently from one rug to the next. Color matching is therefore not guaranteed on shipments. Variation will be more pronounced when customized material is used.

Maintenance

We recommend vacuuming your rug occasionally to remove dust and dirt that may have accumulated, If stains occur, spot clean with a mild soap and warm water. Do not rub as this can damage the felt and change the surface appearance. Dab the rug gently and repeat as needed to remove the stain.

Environmental

100% biodegradable and contains no formaldehyde. 100% VOC free, no chemical irritants, free of harmful substances. Oeko-Tex®. Contributes to LEED® MR Credit 6: Rapidly Renewable Materials - One year harvest cycle.
