Marshfield Collection

Luxe

The latest addition to the Unika Vaev Healthcare and Hospitality Collection, Luxe is a high performance vinyl suitable for indoor and outdoor use. Luxe blends a luxurious silk like aesthetic with the performance characteristics required for multiple commercial applications. Created using an embossing roller to create a fabric texture on the surface, Luxe is then enhanced with a subtle metallic overprint. An additional surface layer ensures the texture and color are permanently sealed into the construction ensuring longevity in look and performance. The palette of 24 colors contains shimmering neutrals from soft pearl tones through to deep greys as well as fresh greens, purples and aquas.

Composition: 85% PVC, 15% polyester
Colorways: 24
Width: 54"
Abrasion: 250,000 Wyzenbeek double rubs
Application: Upholstery, screens, wall panels

Unika Vaev introduces five new patterns – Herringbone, Luxe, Mingle, Persuede and Crisp. Inspired by traditional and modern weaving technologies and yarn structure, this sophisticated collection of over 120 SKU's transcends multiple design mediums from traditional to modern, celebrating Unika Vaev's rich history and diverse product offerings.

Bringing Design to Life

Crisp

Celebrating the effect of intricate small weaves, Crisp's tonal qualities create a small yet brilliant pattern. Produced with high energy dyed yarns, Crisp is bleach cleanable and highly durable. The contrasting yarn colors and weave result in a modern yet elegant fabric suitable for any upholstery application. Crisp is available in 16 colorways.

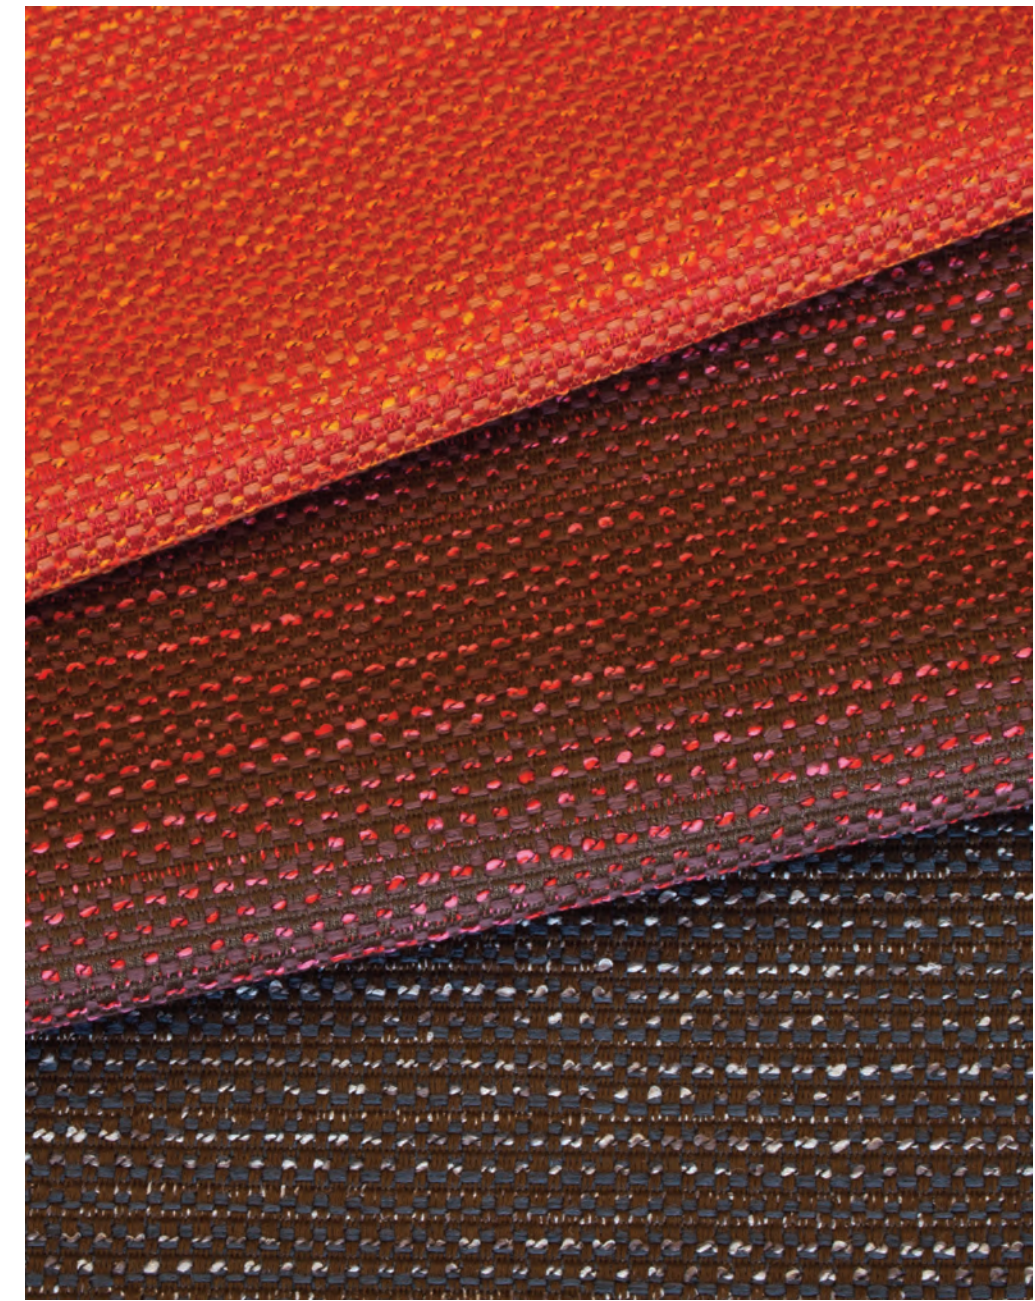

Composition: 74% Post-Consumer Polyester, 26% Nylon
Colorways: 16
Width: 54"
Abrasion: 100,000 Wyzenbeek double rubs
Application: Upholstery

Herringbone

Herringbone is a stunning classic wool-rich texture inspired by the ancient process of hand weaving and the tactile beauty of woolen yarns. Focusing on provenance and authenticity of manufacture and materials, Herringbone is a timeless design with an artisanal quality. The scale of the weaves and positive colors elevate this look away from the traditional into the realm of the new and the super smart chic. The bold use of color comes through in rich yarns: textural twists, melanges and rich textural hand. Herringbone is available in 15 colorways.

Composition: 98% wool, 2% nylon
Colorways: 15
Width: 54"
Abrasion: 60,000 Martindale cycles
Application: Upholstery

Mingle

Mingle is a playful textured variation on a hopsack weave suitable for a wide range of upholstery applications. It's surface interest is created using a combination of plain and textured yarns that vary in thickness and color. The result is a fresh color palette offering a range of beautiful jewel-like brights through to subtle neutral tones, creating a foundation textured collection that can be coordinated easily with other patterns and plains. Mingle is available in 22 colorways.

Composition: 48% polyester, 36% polypropylene, 16% acrylic
Colorways: 22
Width: 54"
Abrasion: 80,000 Wyzenbeek double rubs
Application: upholstery, screen, wall panel
