ScreenTrak® Alto (NRC 0.20)

SOLD IN   Each screen is individually fabricated

DESCRIPTION   The ScreenTrak® Alto Screen system is a collection of beautifully designed, rigid screens available in multiple patterns. The screens are produced with Unika Vaev's 0.47" Solid Color Core and available in a wide range of colors. Make a stunning spacial statement with ScreenTrak® Alto.
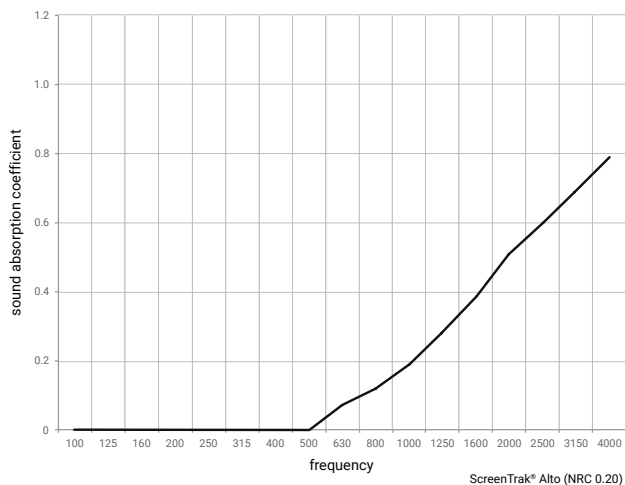

Please Note
- Variation in thickness, color as well as flecks and other slight surface blemishes are an inherent feature of this product and are unavoidable.
- Variation from batch to batch may occur.
- The spacing between the rail and the ScreenTrak® Alto panel is $1/8$" when using the glide hardware
- The rail for ScreenTrak® Alto is available separately upon request. The rail has the following dimensions; $3/4$" x 1 $5/16$" x 108"

ScreenTrak® Alto is available in 24 designs with the ability for custom designed patterns. Each screen is available with multiple track hanging options using Unika Vaev's proprietary track system.

The final NRC rating will vary dependent upon the shape, size, spacing, and air-gap of the product. The NRC rating is intended to be a general guideline only.
