SKY WALL

| | |
|---------------------|---|
| DESIGNER | Stefan Borselius |
| CONTENT | Core: 100% Polyester Frame: 100% Steel Cover: 100% Trevira CS (Xtreme CS) |
| THICKNESS | 4.7" (120mm) |
| DIMENSIONS | 33.3" x 23.2" (846mm x 591mm) |
| WEIGHT | Tile: 2.30 lbs Frame: 0.95 lbs |
| FLAMMABILITY | EN 13501 |
| ACOUSTIC | NRC: 0.70 (see graph on following page) |
| APPLICATION | Wall |
| DESCRIPTION | Sky Wall, a modular system developed by designer Stefan Borselius, sets out to change this with a design language that imbues a room with visual energy while improving its soundscape. Sky Wall is fitted with magnets that attach to metal plates bolted to the wall. |

BENEFITS

Ease of Installation: Each panel has four embedded magnets placed 23.5" apart in each corner. This allows Sky Wall to attach to metal plates previously bolted to the wall. Sky Wall tiles can be installed in vertical or horizontal arrangements, with complete coverage or with voids between tiles, due to the tile's form, scale and a flexible installation system.

Improved Sound Absorption: Sky Wall is ideal for high frequency absorption and achieves an NRC 0.70 rating when directly fixed to a wall.

Designed for the Environment: Sky is manufactured on the basis of technical, environmental and production ethical requirements. There are no emissions to air, water or land during the production of Sky. The sound-absorbent core of Sky contains recycled materials. Sky Wall is recyclable.

- Cal 01350 Compliant
- Low-VOC
- Declare CDHP Emissions Compliant
- HHI Compliant
- Global Greentag
- EPD
- HPD

SKY WALL

FABRIC COVERING CARE

Trevira CS: To preserve the fabric color and appearance of the fabric, Sky should be vacuumed regularly with a soft nozzle.

Wool Stain Removal: Dab or wipe gently with a moist cloth.

Polyester Core Stain Removal: Use uncolored paper towel or cloth to soak up as much as possible of the stain. Dried stains should be vacuumed. Moisten the stain lightly with a clean white cotton cloth, lukewarm water and possibly a small amount of pH-neutral detergent. Press a dry cloth or uncolored paper towel against the fabric so that moisture and dirt are absorbed. Repeat moisten and soaking until the stain is gone. Use clean water without detergent at the last moistening. Finish with soaking.
