**APPLICATION** Hanging Screen

**DESCRIPTION** Scala Ceiling Tiles are part of the Scala series by Anya Sebton. The inspiration comes from the many houses in Iceland, where not only the roofs, but the facades too, are covered by corrugated iron. It gave birth to the idea of bringing it into the space. The design of the sound-absorbent Scala is not only developed for visual reasons, but primarily to contribute to a softer soundscape.

**Ease of Installation:** Scala Hanging Screens are easily suspended from ceilings by four adjustable wires with connecting points on either end.

**Lighting:** Scala Ceiling Tiles are available with or without built in lighting. The 14.4 Watt LED light is encased within your choice of black or white stained ash housing including a 118" electrical cord. Plug needs to be installed by a licensed electrician.

**Recyclable:** The materials in Scala Ceiling Tiles are recyclable, either as material recycling, or energy recovery.

**Please Note:** Panels CANNOT be cut in the field.

**Designed for the Environment:** Scala is manufactured on the basis of technical, environmental and production ethical requirements. There are no emissions to air, water or land during the production of Scala. The sound-absorbent core of Scala contains recycled materials. Scala Screen is recyclable.

# SCALA CEILING TILE CARE

---

**Basic Care:** To maintain the color and appearance of the fabric covering it should be vacuum cleaned regularly with a clean, soft, brush nozzle.

**Polyester Stain Removal:**

- Use colorless towel or a washcloth to absorb as much as possible of still-moist stain. Dried stains should be vacuumed.
- Wet the stain sparingly with a white pure cotton cloth, warm water and possibly a little pH-neutral cleaner.
- Dab the area with a dry cloth or colorless paper towel to absorb the moisture and stain.
- Repeat this process until the stain is gone.
- On the final repetition, use only clean water with no detergent added.
- Finish by dabbing

**Wool Stain Removal:**

Dab or wipe gently with a damp cloth.
