APPLICATION

Screen

DESCRIPTION

Domo Table's elegantly beveled edges produce an attractive interplay of light and shadows. Its wood-framed table screen is filled with sound-absorbing polyester and upholstered in fabric. A magnetic bracket can be added to the screen's facade for attaching pen holder and shelving accessories of various sizes, all specially designed for Domo Table.

General Care: To preserve the fabric color and appearance of the fabric, Air series modules should be vacuumed regularly with a soft nozzle.

Polyester Stain Removal:

- Use colorless towel or a washcloth to absorb as much as possible of still-moist stain. Dried stains should be vacuumed.
- Wet the stain sparingly with a white pure cotton cloth, warm water and possibly a little pH-neutral cleaner.
- Dab the area with a dry cloth or colorless paper towel to absorb the moisture and stain.
- Repeat this process until the stain is gone.
- On the final repetition, use only clean water with no detergent added.
- Finish by dabbing up moisture with a dry cloth or paper towel.

Wool Stain Removal:

- Dab or wipe gently with a damp cloth

Designed for the Environment:

- Rapidly Renewable Content
- Recycled Content
- Low VOC
- mindful MATERIALS
- Health Product Declaration®
- Environmental Product Declaration®
- Declare Compliant
- Red List Compliant
- No FR Additives
