# AIR RAIL DIMENSIONS

Air-X attaches to rail which can be suspended from the ceiling or fastened to a wall. Available in white or anodized aluminum.

# AIR-X TILE

**DESIGNER** Stefan Borselius

**CONTENT** Core: 100% Molded Polyester Felt  
Cover: 100% Polyester Felt (Air Series)  
100% NZ Wool (Focus & Mélange)

**DIMENSIONS** 18.1" x 18.1" (460mm x 460mm)

**THICKNESS** .6" (15mm)

**FLAMMABILITY** Please inquire with Unika Vaev customer service

**ACOUSTIC** NRC: 0.35 - 0.50 depending on formation

**APPLICATION** Wall, Ceiling

**DESCRIPTION** With Air-X, Stefan Borselius enters a world of symbols, typography, and letters. Just like the letters of the alphabet, the ceiling-suspended Air-X allows you to create an infinite number of configurations.

**Installation:** Airbloom may be mounted to the ceiling or wall with a straight rail in two lengths, 59" or 78.75. Those rails can be joined or cut on site. Modules hook into one another using small plastic clips creating screen partitions.

**Accessories Provided:** Drop ceiling brackets to mount Air-X directly to a drop ceiling. A wire kit which includes (2) 118" wires, (2) wire locks and hardware to hang the rail a distance from the ceiling. A roller is also available allowing the Air-X modules roll along the rail, used in lieu of attachment clips.

**General Care:** To preserve the fabric color and appearance of the fabric, Air series modules should be vacuumed regularly with a soft nozzle.

**Polyester Stain Removal:**

- Use colorless towel or a washcloth to absorb as much as possible of still-moist stain. Dried stains should be vacuumed.
- Wet the stain sparingly with a white pure cotton cloth, warm water and possibly a little pH-neutral cleaner.
- Dab the area with a dry cloth or colorless paper towel to absorb the moisture and stain.
- Repeat this process until the stain is gone.
- On the final repetition, use only clean water with no detergent added.
- Finish by dabbing up moisture with a dry cloth or paper towel.

**Wool Stain Removal:**

- Dab or wipe gently with a damp cloth

**Designed for the Environment:**

- California 01350 Emissions Compliant
- Rapidly Renewable Content
- Recycled Content
- Environmental Product Declaration®
- Health Product Declaration®
- Declare Compliant
- Low VOC
- No FR Additives
- No Conflict Minerals
- Red List Compliant
